

Just a note to let you know that K-Love Radio Station has greatly influenced my Danville VA listening area. Speaking with others, we feel that a truly positive station such as K-Love has given us an alternative to what the world has to offer. Without a good Christian radio station to listen to, many people find their days to be overwhelmed and very stressful. K-Love gives us so much inspiration as we travel to and from work preparing for our day. They have helped with promoting activities in and around our area, as well as supporting local events. I know I am only one person, but I sincerely hope and pray that K-Love Radio will remain in the Virginia area for years to come.
